

Natural Stone by Ideal®

We are pleased to introduce “Natural Stone by Ideal” as the perfect collaboration of hardscape materials accomplished by tastefully integrating the colors, textures and tones of our concrete pavers with the character and beauty of natural stone. Interior or exterior, natural stone is well suited for both residential and commercial projects—from fireplaces and chimneys, to landscape walls and outdoor rooms, veneer, patios, steps and stairs. The possibilities are endless!

WALL STONE

- Easily stackable, ideal for wall building
- Irregular in shape, semi-smooth on the top and bottom
- Available in thin (1” – 3”) and regular (2” – 4”)
 - Select versions available in regular (4” – 6”) and heavy (6” – 8”)
- Most colors available in quarter, half and full pallets

VENEER

Enjoy the beauty and durability of real natural stone! Available in thin and full bed depth, our line of natural stone veneer is the perfect way to enhance any project.
